“KNOWLEDGE IS OUR MOST IMPORTANT ASSET”
WWW.ALPHALA.COM

Why do business with Alpha? You are our client, not always the buyer! We educate you on information that affects your business! As the “Flood Guru” and our current reputation for solving insurance issues, make us your #1 choice!

Our primary goal is educate you to help yourself and your client!

- Did you have problems a few days before closing over insurance?
- Would you like to earn CE credit to avoid insurance pitfalls?
 - Do you need help from the lender to meet the escrow window?
 - Do the insurance agencies you currently work with “Grandfather” their flood policies?
 - Do you know how important your client’s credit score may be for insurance?
 - Does your client know what is on the “Clue Report”?
 - Do you know what the Clue Report is and what it means?
 - Do you know how important the date of construction is to insurance?
- Do you have an LLC for your real estate business?
- Do you have a Personal Umbrella Liability Coverage?

Our proven track record sharing information and knowledge through the years with the real estate industry is what makes us so different. We make sure your client gets coverage even if we don’t write the business. We teach classes, we have created a great tutorial website. Or, you can just call us anytime.
